**WASHINGTON AND ALEXANDRIA TURNPIKE COMPANY.**—A meeting of the stockholders of the Washington and Alexandria Turnpike Company, was held in the office of Andrew Jamieson, Esq., in this city, on Wednesday the 10th inst., at which 483 of the 500 shares, composing the entire stock of the company, was represented. The company was reorganized by the unanimous election of the following officers and directors: Jos. P. Brown, Washington, president and treasurer; George C. Wedderburn, Alexandria, Va.; G. H. Plant, Washington; William Dowling, Georgetown, and C. D. Arnold, New York, directors; and A. H. Hall, clerk.

The stock of the company is now, we understand, in the hands of large capitalists from the North, whose intention it is to immediately institute legal proceedings to obtain an injunction preventing the Washington and Alexandria Railroad Company from using any portion of the ground belonging to the Washington and Alexandria Turnpike Company, which company was originally organized in 1808, under a perpetual charter from Congress. Distinguished counsel has been retained by the reorganized company to prosecute their suit, and it is stated, that no serious difficulty will be experienced in obtaining the desired injunction, as it is asserted that, at the time the Washington and Alexandria Railroad was constructed, the majority of the stock of the Turnpike Company was owned by the Railroad Company. The road has been much damaged during the war by constant use by the Government as a "military road," but we are given to understand that steps will be taken at once to place it in thorough repair, and make it one of the best turnpikes in the United States.

**THE LATE STORM.**—The rain clouds which gathered above us on Wednesday last, wrung themselves dry by Saturday evening, since which time we have had clear, bracing weather, with the wind from the Northwest. As far as we can learn, in this immediate vicinity, the loss sustained by the immense quantity of water which descended is comparatively small. The roads, however, have been considerably washed, and the Alexandria Canal, where the Loudoun and Hampshire Railroad crosses it, has received some injury, requiring the employment of a number of laborers to repair it and the bridge crossing it. The train on the Loudoun and Hampshire Railroad passed slowly over this bridge this morning on its way out, but is not expected to cross it coming back this evening. The bed of the Washington and Alexandria Railroad, at Jackson city, which was overflowed and damaged to some extent, will, it is thought, be repaired in time for the train from the Southwest to pass over it this evening, as a large force is at work there, at both ends of the break.

The Long Bridge has been so injured that vehicles cannot cross it.

It is reported that about five miles of the Baltimore and Ohio Railroad, thirty miles from Baltimore, have been washed away.

Two culverts were washed away on the Fredericksburg and Potomac Railroad, between Guinea's Station and Fredericksburg, and have not yet been repaired sufficiently to allow trains to pass over them.

**GEORGETOWN, D. C.**—The Seminary property, belonging to the late Miss Lydia English, has been purchased by Brooke R. Williams, and his nephew, Constantine de Bodisco, for \$20,000. The property will soon be improved and converted into dwelling houses. The house formerly occupied by Robert Ould, Confederate commissioner for exchange, and owned by Chas. Spaulding, of Georgia, has been sold to E. W. Jones for \$8,000.

**SHOOTING.**—A young man from this city, named John H. Devereaux, United States Assessor for the county of Culpeper, was arrested at Culpeper Court House, on Thursday last, for shooting Mr. Robert Roberts of that county, and, in default of bail to the amount of \$2,500 for his appearance at the next term of the court, was committed to jail. The shot took effect, but will not inflict a serious wound.

**SUSPENSION OF A LEGAL PROCESS.**—The execution of the decree rendered by Judge Meredith on the 20th ult., in the case of Madrox vs. Ayres, has been, by order of the deeming Judge, suspended for the period of sixty days, in order to allow the plaintiff to apply for an appeal from the same.

**CORN.**—Corn was held at \$1 25 per bushel, in this market to-day.

**RAILROAD TRAVEL.**—The interruption to railroad travel through this city which has existed during the last three or four days, in consequence of the late rain storm, has been removed, so far as the Orange and Alexandria Railroad is concerned, and the transportation of through passengers and freight recommenced on Saturday night, when the train from Lynchburg arrived in this city—a steamboat being used to complete the line to Washington until the necessary repairs to the Washington and Alexandria Railroad are finished, which, it is thought, will be accomplished this evening.

The steamer Keyport, yesterday evening, brought up, and landed here, the passengers, as well as the freight and mail—which have been detained between Washington and Richmond since Friday last. They were sent over the Orange Railroad this morning, together with the passengers, freight and mail brought down this morning on the steamers Winnisimmet and Vanderbilt.

**HORSES RECOVERED.**—The two horses which became detached from the Stage Coach of Whaley's line to Winchester, last Friday night, while crossing Four Mile Run, near Cloud's Mill, and were supposed to be lost, were recovered on Saturday morning, unharmed. They had been carried some distance down the stream by the current, but were caught by some brush wood which detained them until they were rescued.

**THE QUANTITY OF RAIN THAT FELL IN THE LATE STORM.**—Basing the calculations upon the observation taken at the Smithsonian Institute, and assuming the area of Alexandria to be 640 acres, the amount of water which has fallen on our city from Wednesday evening to Saturday at 12 m. is 144,967,392 gallons. This volume of water would represent a lake one mile square and ten inches deep.

**CHILD MURDERED.**—A warrant was issued this morning for the arrest of a negro woman who has been living at Bishop John's, near the Theological Seminary, charged with drowning her infant last Friday. She was seen holding the child over a tub of water, and shortly afterwards it was found dead in the sink.

**POLICE REPORT—MAYOR'S OFFICE.**—Wm. Meade, on the charge of striking a mulatto woman named Amelia Jackson, and for whom the police have been on the lookout for several days past, was arrested on Saturday evening last, at his house on the lower end of Fairfax street, by a squad of negro soldiers, under command of Capt. Clark, and turned over to the custody of the Mayor, by whom he was appropriately fined and discharged.

Richard Wilson, a bright mulatto, for striking a negro woman named Catharine Minor, to whom he owed six dollars for board, was discharged upon payment of the debt and the imposed fines.

Robert Cawood, for committing a nuisance near the Washington ferry wharf, was committed to the watch house until his friends could procure the amount of the fine imposed upon him.

**MAGISTRATES' OFFICE.**—J. R. Creed, for obtaining money under false pretenses from Peripat E. Jones, was arrested in this city yesterday evening upon the return of the Aquia Creek steamboat, upon which he had obtained passage to the southwest, and discharged, as the parties had effected a compromise. Both were clerks in the Treasury Department.

A warrant was issued for the arrest of Amanda Ryan, for withholding clothing, the property of one of her boarders, named Ross Lynch.

A warrant was issued for the arrest of Capt. James Trebble, for withholding furniture, the property of Carson Kane.
